

We need your help! For the past number of years, we have been returning capital credits to our consumer-members. Checks are sent to inactive accounts. At times, we lose track of these former consumer-members. Below is a list of people we owe capital credits to, but we don't have their current addresses. The list also includes people who have not cashed their checks written in December 2017. If you know anyone on this list, please ask them to contact us with their correct address. They can call us at (814) 766-3221 or toll-free at 1-800-270-3177 or email us at info@newenterpriserec.com Thank you for your help.
