

## **Job Opening Notice**

April 27, 2018

### ***Apprentice Lineman/Service Position***

**New Enterprise Rural Electric Cooperative, Inc.  
New Enterprise, PA**

New Enterprise Rural Electric Cooperative, Inc. is seeking qualified candidates for the position of Apprentice Lineman/Service Position. New Enterprise Rural Electric Cooperative, Inc. is one of thirteen Electric Distribution Cooperatives in Pennsylvania and is headquartered in the village of New Enterprise, Bedford County, Pennsylvania. The Cooperative owns and maintains approximately 425 miles of distribution power lines in portions of Bedford, Fulton and Huntingdon counties.

The position will include performing the diversified work of erection and repair of distribution lines, including energized lines, and on structures and equipment involved in the distribution of electricity.

The position will become familiar with all circuits and switching points; may also build service drops and pole extensions; will be responsible for locating sources of service interruptions or other troubles and performing necessary construction maintenance or repair to restore service. Also, sets meters, connects and disconnects, and may collect delinquent bills.

Previous experience in line work and living near or willing to relocate to the New Enterprise area is desirable.

The position will be open until filled.

**Interested applicants shall submit Resume to Mark Morrison, Gen. Mgr./CEO,  
PO Box 75, New Enterprise, PA 16664**
