BUDGET BILLING PROGRAM

I, _____, authorize New Enterprise Rural Electric Cooperative, Inc. to place my account on the budget billing program. I understand that my budget amount must be paid in full on or before the due date each month. Should my account be late and charged a penalty charge twice within a six month period, I will be removed from the budget. At that time, the total balance will be due.

Once removed, my account cannot be put back on the Budget Billing Program for a year. My account can only be placed back on Budget Billing if my account balance is paid in full for twelve consecutive months on or before the due date.

I also understand that the computer each month looks at my previous 12 months' usage, averages it and rounds it to the nearest \$10.00. My budget amount may vary from time to time.
